SOCIAL SECURITY ADMINISTRATION

This is a request under the Freedom of Information Act.

I request that a copy of the following documents be provided to me. I do not wish to inspect the documents/DVD or some other electronic record first.

1. All documents submitted by N'Jai to the Social Security Administration.
2. All appeal requests by the requester and written status of those requests.
3. Form for requester to transfer away from Monroeville Social Security Office because of unfair, racist, and unreasonable treatment that took place on 9/19/2017.
4. Explanation why Requested is being denied appeals?
5. The full name of the representative who refused Requestor service on 9/19/2017. (I think it was Sims)

In order to determine my status for the applicability of fees, you should know that I am Jacquelyn B. N'Jai, the requester, is a **Requester**, seeking information for personal use. A photo Copy of my Driver's license is attached.

The purpose of my request is because the Monroeville Social Security Administration in Monroeville (1) is denying me a right to appeal before a judge, (2) is refusing to accurately correct inaccurate Annual Statements, and (3) have shut the window at the office because as the representative stated, "why should she correct errors that East Liberty Social Security made?"

The representative has refused to process any of the 3 requests for an appeal I asked for, and the documents I have requested and submitted as proof that over \$80,000.00 in income is missing from my statement.

There has been no written letter or notification of anyone from the Social Security Office for the 7/17/2017 or 7/7/2017 appeal, and the 2/19/2017 request for an appeal, and the latest one sent by letter- either. Why I do not know?

I am willing to pay fees that are based upon the Right to Know or FIOA scale(s). If more fees are charged, please inform me first, with an explanation why fees surpass what the acceptable lists show.

Jacquelyn B. N'Jai
